## IMPORTANCE OF SOCIALIZING IN LUNG CANCER

### KEY TAKEAWAYS

- Lung Connect was recently conducted by PMA Support Group Meeting which was held on 17th February, 2024.
- moderated by Mr. Sandeep Khosla.
- Dr. Anand Singh gave a very informative session on importance of socializing for Lung Cancer. He mentioned that SOCIALIZATION is important thing to do effectively that will help you all treatment. Some common symptoms are COUGH, SOB, HAEMOPTYSIS, WEIGHT LOSS, FATIGUE, ANOREXIA, PAIN, etc. He said as social connections, support therapy can be given. Lung cancer can work for 2 years without disease progression. There are many clinical trials going on for various other therapies.
- Dr. Anand Khosla presented some questions from the meeting participants.
- The format of this meeting will continue from a month named Mr. Sandeep Khosla, Mr. Anand Singh.
