131ST SUPPORT GROUP MEETING, UP-BIHAR

ROLE OF RADIATION THERAPY IN LUNG CANCER

KEY TAKEAWAYS

- Lung Connect successfully concluded its 131st Support Group Meet, UP-Bihar which was held on 15th January, 2025.
- Dr Ajay Choubey explained about radiation therapy in very simple words.
- He mentioned that radiation works locally on tumours and tries to control the disease.
- He also talked about the various procedures and precautions taken during radiation.
- He said Early Detection should be the target because cancer is more dangerous if it is in advanced stage.
- Dr Akhil helped the patients to solve their queries.
- We heard words of wisdom from Vilas Khade.

के केंसर में विकिरण चिकित्सा की भूमिका
Radiation Therapy in Lung Cancer)
